Karnes County Clerk and Karnes County District Clerk Joint Effort

At this time, the following actions are necessary to help protect the public and aid in the prevention of the spread of COVID-19. In order to protect our staff so that we may continue to serve you, the Karnes County Clerk and Karnes County District Clerk are taking precautionary measures to modify services and availability to the public.

EFFECTIVE: Thursday, March 19, 2020, the Clerks' offices will not assist customers in-person UNLESS they have an actual court hearing on that date or a pre-arranged appointment. This will extend for a duration of up to eight (8) weeks. We will monitor this situation and determine changes or extensions as needed.

We request all customers to call or email for assistance. Each request will be decided on a case by case basis and immediate need. If you are given an appointment, we ask that you please do not bring children or anyone under the age of 18. These appointments will be restricted to only the party or parties involved. If you are sick, recently exposed to anyone who is sick or show signs of being sick, please do not attempt to make a physical appearance in our office. The Clerks' offices will still be operating, answering phones and processing e-files into judicial cases. We will continue to assist in the courtroom, as needed.
