**14. GENERAL STATEMENTS.** In accordance with the provisions of Section 3.009(b), Texas Election Code, it is hereby found and determined that:

- (a) The proposition language that will appear on the ballot is set forth in Section 9 hereof.
- (b) The purpose for which the bonds are to be authorized is set forth in Section 8 hereof.
- (c) The principal amount of the debt obligations to be authorized is set forth in Sections 8 and 9 hereof.
- (d) As set forth in Sections 8 and 9 hereof, if the bonds are approved by the voters, the Board of Trustees will be authorized to levy annual ad valorem taxes, on all taxable property in the District, sufficient, without limit as to rate or amount, to pay the principal of and interest on the bonds and the cost of any credit agreements executed in connection with the bonds.

(e) Based upon the bond market conditions at the date of adoption of this Order, the maximum interest rate for any series of the bonds authorized at the Election is estimated to be 4.92% (expressed as a net effective interest rate applicable to any such series of bonds) as calculated in accordance with applicable law. Such estimate takes into account a number of factors, including the issuance schedule, maturity schedule and the expected bond ratings of the proposed bonds. Such estimated maximum interest rate is provided as a matter of information and for Texas statutory compliance, but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold or the amortization period for bonds that are the subject of this Election.

(f) As set forth in Section 8 hereof, if the bonds are approved, they may be issued in one or more series, to mature serially, over a period not to exceed 40 years, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The District estimates an ad valorem debt service tax rate of \$0.3582 per \$100 of taxable assessed valuation if the bonds that are the subject of the Election are approved and are issued (taking into account the outstanding District bonds and bonds that are the subject of this Election, but not future bond authorizations of the District). The foregoing estimated tax rate and amortization period are only estimates, provided for Texas statutory compliance, and do not serve as a cap on any District ad valorem tax rate or the amortization period for bonds that are the subject of this Election.

(g) The aggregate amount of the outstanding principal of the District's debt obligations, through respective maturity, (all of which are secured by an unlimited tax levied for debt service purposes) as of the beginning of the District's 2024-25 fiscal year is \$16,174,984.50.

(h) The aggregate amount of the outstanding interest of the District's debt obligations, through respective date of issue (all of which are secured by an unlimited tax levied for debt service purposes), as of the beginning of the District's 2024-25 fiscal year is \$4,069,037.

(i) The ad valorem debt service tax rate for the District for the 2024-25 fiscal year is \$0.3582 per \$100 of taxable assessed valuation.

The Superintendent is authorized to correct, complete and revise the Notice to conform to changes that occur subsequent to the passage of this Order.

**16. AUTHORITY TO EXECUTE DOCUMENTS AND APPROVE TECHNICAL CHANGES TO ORDER.** The Board authorizes the President, Board of Trustees, the

Superintendent of Schools, or the respective designee of either of such parties, to negotiate and enter into one or more joint election agreements, election services contracts, and/or similar contracts or agreements with the County, acting by and through the Election Official, and any Participants if desired or if required to comply with applicable law, as permitted and in accordance with the provisions of the Texas Election Code, as amended. In addition, the Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties to make such technical modifications to this Order, upon consultation with the District's Bond Counsel, that are necessary to correct any ambiguity or mistake or that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein. By incorporating all essential terms necessary for a joint election agreement, this Order is intended to satisfy Section 271.002(d) of the Texas Election Code, as amended, without further action of the Board of Trustees.

The District is authorized to pay the fees charged by the County for services rendered in connection with the Election.

**17.** The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.
