WHEREAS, the Election will be conducted by each County and held jointly with other political subdivisions for which each County is also conducting their elections (collectively, the *Participants*), as provided pursuant to an election services agreement and/or a joint election or similar agreement between or among (as applicable) the District, each County, and/or any Participants, entered into according to the Texas Election Code, as amended (the *Code*); and

WHEREAS, the Board hereby finds and determines that the necessity to construct various capital improvements within the District dictates that it is in the public interest to call and hold the Election at the earliest possible date to authorize the issuance of bonds for the purposes hereinafter identified; and

MEASURE A

Shall the Board of Trustees of the Pawnee Independent School District be authorized to issue and sell bonds of the District, in one or more series, in the aggregate principal amount of not more than \$22,000,000 for the purposes of designing, constructing, renovating, improving, upgrading, updating, modernizing, acquiring, and equipping school facilities (and any necessary or related removal of existing facilities), the purchase of the necessary sites for school facilities, and the purchase of new school buses and security devices for school buses, with priority given to a new high school, such bonds to mature serially or otherwise (not more than 40 years from their date) in accordance with law; any issue or series of such bonds to bear interest per annum at such rate or rates (fixed, floating, variable, or otherwise) as may be determined within the discretion of the Board of Trustees, provided that such rate or rates of interest shall not exceed the maximum rate per annum authorized by law at the time of the issuance of any issue or series of such bonds; and shall the Board of Trustees of the District be authorized to levy and pledge, and cause to be assessed and collected, annual ad valorem taxes on all taxable property in the District sufficient, without limit as to rate or amount, to pay the principal of and interest on the bonds?

SECTION 2. One or more District election precincts are hereby established for the purpose of holding the Election, and one or more polling places are hereby designated for holding the Election in the District election precincts as identified in Exhibit A to this Order (which is incorporated herein by reference for all purposes). In compliance with the Code, the Administrator will appoint Presiding Judges, Alternate Presiding Judges, Election Clerks, and all other election officials for the Election. The District's Superintendent of Schools, the President of the Board of Trustees, or their designees can correct, modify, or change the Exhibits to this Order based upon the final locations and times agreed upon by the District, the Administrator, and the Participants, if any and as applicable, to the extent permitted by applicable law.

A. To the extent required by the Code or other applicable law, the appointment of election officials at polling locations must include a person fluent in the Spanish language.

B. On Election Day, the polls shall be open as designated on Exhibit A.

C. The main early voting location is designated in Exhibit B to this Order (which is incorporated herein by reference for all purposes). The individual named as the Early Voting Clerk as designated in Exhibit B is hereby appointed as the Early Voting Clerk to conduct such early voting in the Election. The Early Voting Clerk shall appoint the Deputy Early Voting Clerks. The main early voting location shall remain open to permit early voting on the days and at the times as stated in Exhibit B. Early voting shall commence as provided on Exhibit B and continue through the date set forth on Exhibit B, all as provided by the Code.

Additionally, permanent and/or temporary branch offices for early voting by personal appearance may be established and maintained according to the Code. In the event such permanent

and/or temporary branch locations are established, information regarding the locations, dates, and hours of operation for early voting at these offices will be identified in Exhibit B hereto.

Each Administrator is authorized to establish an Early Voting Ballot Board for their respective counties and to designate the Presiding Judge of such Early Voting Ballot Board. The Presiding Judges of the Early Voting Ballot Board shall appoint two or more additional members to constitute their respective Early Voting Ballot Board members and, if needed, the Signature Verification Committee members required to efficiently process the early voting ballots.

SECTION 3. Any legally permissible voting method may be used for early voting and Election Day voting by personal appearance, and when required by the Code, at least one accessible voting system per polling place will be provided. Certain early voting may be conducted by mail according to the Code.

SECTION 4. The Board authorizes each Administrator to utilize a Central Counting Station (the *Stations*) as provided by the Code. The Administrators, or designees thereof, are hereby appointed as the Manager of their respective Stations who will establish a written plan for the orderly operation of the Stations according to the Code. The Board authorizes the Administrators, or the designees thereof, to appoint the Presiding Judges, the Tabulation Supervisors, and the Programmers of their respective Stations and may appoint Station clerks as needed or desirable. The Administrators will publish (or cause to be published) notice and conduct testing on the automatic tabulation equipment relating to the Station and conduct instruction for the officials and clerks for their respective Stations according to the Code.

SECTION 5. The official ballot shall be prepared according to the Code so as to permit voters to vote “FOR” or “AGAINST” the aforesaid measure that shall appear on the ballot substantially as follows:

PROPOSITION A

THE ISSUANCE OF \$22,000,000 OF BONDS BY THE PAWNEE INDEPENDENT SCHOOL DISTRICT FOR A NEW HIGH SCHOOL AND THE LEVYING OF A TAX IN PAYMENT THEREOF. THIS IS A PROPERTY TAX INCREASE.

SECTION 6. All resident, qualified voters of the District shall be permitted to vote at the Election, and on Election Day, such voters shall vote at the designated polling places. The Election shall be held and conducted according to the Code and other applicable law. To the extent required by law, materials and proceedings relating to the Election shall be printed in both English and Spanish.

SECTION 7. Notice of election, including a Spanish translation thereof, shall be published at least one time in a newspaper of general circulation in the District, with such publication occurring not more than 30 days and not less than 10 days before Election Day. Moreover, a substantial copy of this Order and the voter information attached to and incorporated herein for all purposes, including a Spanish translation thereof, shall be posted (a) not less than 21 days prior to Election Day (1) on the bulletin board used for posting notices of Board meetings, (2) in three additional public places within the District’s boundaries, (3) in a prominent location on the District’s internet website, and (b) in a prominent location at each polling place on Election Day and during early voting. A sample ballot shall be posted on the District’s internet website not less than 21 days prior to Election Day.

SECTION 8. As of the date of this order, the District had outstanding an aggregate principal amount of debt equal to \$1,295,000 (including maintenance tax debt, if any); the aggregate amount of the interest owed on such District debt obligations, through respective maturity, totaled \$31,765; and the District levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.2262 per \$100 of taxable assessed valuation. Based on the bond market conditions on the date of the Board's adoption of this Order, the estimated maximum interest rate for any series of bonds authorized at the Election is 3.85% (expressed as a net effective interest rate applicable to any such series of bonds). The bonds that are the subject of this Election shall mature serially or otherwise over a specified number of years (but not more than 40 years from their date), as prescribed by applicable Texas law, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The foregoing estimated maximum net effective interest rate and amortization period are only estimates, provided for Texas statutory compliance; they do not serve as a cap on the per annum interest rate at which any series of bonds authorized at the Election may be sold, or the amortization period for bonds that are the subject of this Election.

SECTION 9. The Board authorizes the District's President of the Board of Trustees, the Superintendent of Schools, or their designees to negotiate and enter into one or more joint election agreements, election services contracts, and/or similar contracts or agreements with the County, acting by and through the Administrator, and any Participants if desired or if required to comply with applicable law, as permitted and in accordance with the Code. In addition, the Board authorizes the President of the Board of Trustees, the Superintendent of Schools, or their designees to make such technical modifications to this Order that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein.

SECTION 10. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.

SECTION 11. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

SECTION 12. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 13. It is officially found, determined, and declared that the meeting at which this Order is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Order, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 14. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

SECTION 15. This Order shall be in force and effect from and after its final passage, and it is so ordered.
